

**VILLA MARIE DEGREE COLLEGE FOR WOMEN**

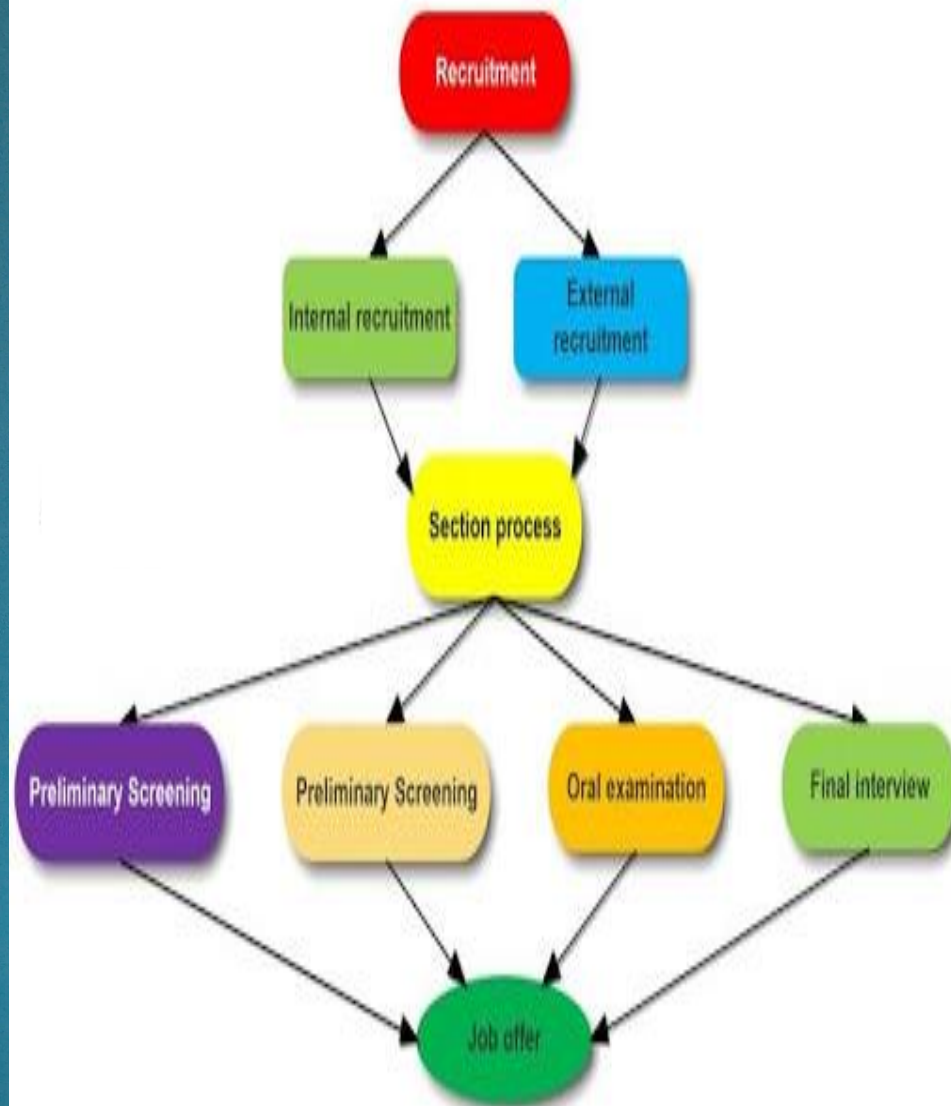

# **PLACEMENT BROCHURE 2019-2020**

**From cherished dreams to realistic goals.**

## Recruitment and Selection

**DR. PHILOMENA**  
**FOUNDER, DIRECTOR & CORRESPONDENT**

**FOREWORD**

I deem it as a pleasure to take this opportunity to acknowledge the contribution of every individual who has assisted in conducting a successful placement session this year. Villa Marie College, a premium educational institution in Hyderabad, Telangana, is a threshold of advancement of knowledge and dissemination of truth. We are aware of the paradigm shift that has taken place. For over 29 years, Villa Marie College has helped girls emerge into young, confident women who are good citizens and honest beings.

The task of modern educator is not to cut down the jungles but to irrigate deserts. Villa Marie promises to impart holistic learning which will be a blend of intelligence and emotional quotients. The college imbibes the contrast of modern technology and traditional education. The college has been the nexus emphasizing education to students of different backgrounds, diverse culture, interests and understanding.

Villa Marie Degree College is proud to be associated with leading companies and has been their favorite campus to scout for talent. In addition to academic excellence, the students have been working hard to develop their industry exposure through company research projects, industry visits and guest lectures.

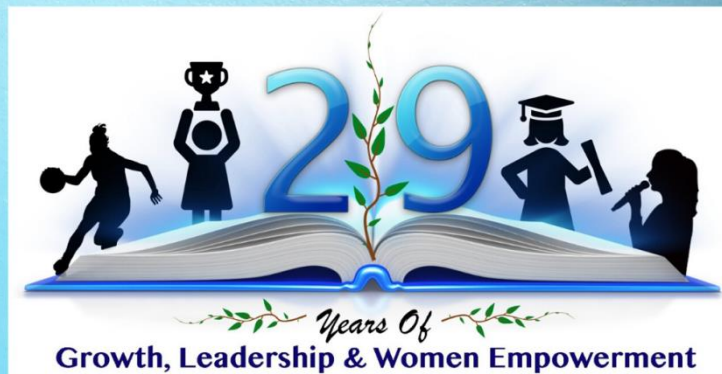

Today, our alumni are holding senior positions in many organizations and more and more students are joining each year at various levels to contribute meaningfully to the corporate world.

The placement team would like to convey its heartfelt thanks to all the students and placement partners. The success of the placements season is purely because of the valuable support and tireless effort of each and every student of the institute. We hope to build stronger relationships with our placement partners and continue to take Villa Marians to greater heights.

## **29 years of Academic Excellence**

Villa Marie is an organised institution, established in the year 1991 believing in fostering a spirit of innovation among students that focuses on providing academic quality, service excellence and competence in communication, critical thinking and information utilization altogether with a commitment of lifelong learning for enhancement of student's opportunities for career success.

Villa Marie College helps students immerse themselves in a curriculum with both technical knowledge and creativity. Our conservatory structure allows students to select an industry- focused specialization based on their individual interests and facilitates cognitive and effective student learning .It bridges the gap between theory and practice by giving them general education and foundational instruction where they have opportunities to use technology and access to learning resources and other student services . In addition to academic excellence, the students have been working hard to develop their industry exposure through company research projects, industry visits and guest lectures.

## **INTERNSHIP AND PLACEMENT**

### **DIVISION(IPD)**

The reputation of an educational institution is measured by the quality of the imparted knowledge, the intellectual growth it inspires and how the students are able to transfer these into intellectual work products. And one of the easiest ways to quantify the payback is the return of investment of the university degree-how well are the students placed, change in employability from before to after, and the subsequent career growth and success.

IPD has a body of experts handling employability skills for the students resume and interview experts, career counselors, conducting workshops and seminars. Good career services provide job hunt assistance while great career services offer discipline specific support, and are informed about the recruitment landscape which companies are hiring and how to get those companies to show up in campus for recruitment drive and how to expose the would- be graduates to employment opportunities.

In today's complex business world, the demand for students with a global perspective has never been greater. We believe in interdisciplinary working with academic colleagues, placement partners and the students. Embedding this new ethos in our initiative, teaching and learning unites our multidisciplinary academic base using their abilities to engender social and economic improvements.

This is the beginning of our radical overhaul of how we work. Critical thinking, communication, writing and researching are some of the most important skills that the companies look for in a new hire. These are the skills that the students start imbibing in the college. Leading corporates like Amazon, Cognizant, Sutherland Global and many more multi-national companies recruit Villa Marie students every year in huge numbers. And it doesn't stop there. Theater, Art Companies, Start-ups also hire Villa Marie graduates. Each year the corporate seeks the undergrads to fill their company positions. They know they will find a crowd of innovative, committed students ready to take on the most rigorous agenda and challenging job profiles. The aim of the Internship Placement Division of Villa Marie Degree college is to foster awareness and cognizance of the realistic market. The cell works closely with every student applying for jobs on composing materials and getting ready for the interviews and job talks. The recruitment process commenced with the Pre placement workshops.

The outcome of these programs is conspicuous as Villa Marie Degree College takes pride and honour in announcing over 400 placements of our students in various reputed companies this year. Companies like Deloitte, Amazon, Sutherland Global services, Concentrix, The Business Research Company, IncNut Digital, Inspire Info Sol, Aditya Birla, , Genpact, Ryson Jewels, Manya Educations and many to quote.

- Demonstrate the ability to identify and logically analyse and construct reasoned solutions and communicate effectively.
- To enhance critical thinking and effective communication.
- To leverage the employability skills of a student enabling them to manage in a competitive and dynamic environment.
- To encourage them to manage in a competitive and dynamic environment, to strengthen the ability to manage ethically in changing global.

## **PRE PLACEMENT TALK**

Determined to surge ahead of the curve, we offer our students, with strong core academic programs as well as outstanding elective programs. We offer Bachelors programs viz., B.B.A, B.COM, B.SC, B.A. We have a strong Advanced Placement program as well as academic interventions to help ensure all of our students can reach their goals and numerous opportunities for students to pursue their goals.

Besides academic credentials and technical knowledge, the X factor that eases the job hiring process are Communication skills and an impressive resume. The highly skilled and employable students of Villa Marie degree college have been placed in various corporate fields every year during the campus recruitment drive. Villa Marie believes in grooming the students in order to make them skilled and ethical technocrats, thus placement becomes an automatic outcome of complete cycle.

This year (2020), the students of Villa Marie Degree College for Women ushered into the world brimming with career opportunities and job prospects. The need of the hour was that they required a fillip and sharpened communication skills which will help them fetch jobs of their satisfaction. And to mentor the students, refine and groom their employability skills.

-Mr. Amardeep Singh, an alumnus of IIM, Ahmedabad endowed his valuable time to groom the students. He is an independent Business developer, growth strategist and experimental learning facilitator. He has been one of the main proponents in the CC sessions here in the college and mentored the students exceptionally well. The workshop entitled "Hello Corporate- we're ready" helped the students gain entry into a suitable employment.

It was an amazing experience at Villa. On behalf of Telebu Family I would like to thank the IPD team and their wonderful support.Placement Coordinators( Neha Sharma, B.Adhya, Sama Fatima, Raveena and Kena Patel ) are supportive,Helpful and did a great job,helped us conduct placement Smoothly. When it comes to business, we got the excellent Talent from Villa Marie.

**G.Anjali Reddy**  
**BBA - 3A**  
**(Batch 2016 - 2019, )**  
**placed in GENPACT**

I really enjoyed completing my coursework at Villa Marie. It was informative and also it provided great insights for me. In fact, realistically I applied the core values that I have learnt from my course work that stood me out from the crowd and I couldn't agree more.

Divya Soni.  
BA Political Science  
2016-2019  
Got placed into  
Telebu

st year, while graduating from college, I thought, it's time to get serious. The days of having fun are done. And then, I got placed into Telebu Communication, Gachibowli, through college. It's been 9 months since I've been working there, and the experience has been fantastic. I started out as an online sales executive, but my mentors realized that my true potential is with creative writing. I then made a parallel transition from sales to marketing as a content writer. Later, I was promoted as a Social Media Specialist. I now take care of the external and internal communication as a brand. What I've realized in these past two years is that no matter where I am, what matters is having great friends and greater mentors. College or Office, I thank them for the person I am today! Seetha Ma'am, Atiya Ma'am, Blessy Ma'am, Tejaswi Ma'am, Tulsi Ma'am, Arun Sir, and all my friends, juniors that I connected with, and my classmates, I feel ecstatic to look back at all the guidance and laughter!

It gives me great pleasure in sharing the wonderful years I had at Villa Marie Degree College. I had been extremely fortunate to spend those three years in Villa Marie College that provided me with opportunities to live the best life I can. I cherished the feeling of studying at an institute that taught me things far beyond bookish knowledge and helped me broaden my horizons. I would always be grateful to Villa Marie College for giving me a multi-dimensional learning prospect. Villa Marie College made me confident, ambitious, focused & helped me gain experiences that have contributed to my professional growth as well. Today, I'm proud to say that I'm currently working as an Accounting Assistant at a private company. I would like to thank the Training & placement cell for giving me this opportunity.

Finally I would conclude by saying... From walking in as a fresher with no direction and walking out at the end of final year as a confident woman is probably the best feeling ever. I would like to thank Principal Mam, Vice Principal Mam and Lecturers who provided direction to our knowledge and shaped our future.

**Sania Fatima**  
**BBA**  
**(2018 )**

My sincere appreciation & gratitude to the staff of Villa Marie Degree college for their efforts in imparting quality training. I am very grateful to them for effectively and sincerely helping me to grab first ever opportunity that came into my life. Villa Marie has provided us with ample of placement opportunities from companies like Amazon, cognizant, delloite and many other companies. Villa Marie has always motivates its student to participate in the placement and helped us in every way they could.

The background features a soft, abstract design with flowing, curved shapes in shades of light blue, teal, and a hint of pale yellow, creating a sense of movement and depth.

B.Com Foreign Trade  
Placed in : Deloitte

Being a part of Villa Marie as a graduate in Foreign Trade is a blessing that I can be thankful to God. Villa Marie Degree College is considered as one of the best Women's colleges having an excellent Placement Cell. The placement cell in Villa provided me with the best placements. It has also helped us to get ready to face the corporate world by having a Pre Placement Talk. I'm thankful that I got a job at Deloitte through Villa to start my career.

Neha Sharma  
BA  
123817386029  
Placed in: Tech Mahindra  
Student Placement coordinator  
2019-20

My sincere appreciation and gratitude goes to the Training and Placement Cell of Villa Marie Degree College for their efforts in imparting quality training. Villa Marie is a place where you can find an amalgamation of learning...fun...culture... literature and much more life preaching activities. I am thankful to the training and placement cell for enhancing my skills and providing a platform to showcase my latent talent. I also thank the faculty for giving me an opportunity to coordinate with the placement cell and experience the joy of being a part of it. I am blessed being a student in Villa Marie Degree College and getting an opportunity and support from the faculty & placement committee. It is a dream come true, being and getting to work with such a networking company in the beginning of my career. I really like the placement process of our college; everyone is working really hard for all students so that they could get easily placed in the best companies. I am so grateful to the college and the placement committee which has not left any stone unturned in arranging corporate campus placements for us. It was an enriching experience for me to learn the nuances of placements in reputed companies. I was so glad to be the placement coordinator for the campus placement drive 2019-20, since it has practically brought out the best in me as regards the traits of coordination, communication, patience and perseverance. I wish to thank Villa Marie Degree College and its Placement Committee for shaping my career as I embark on my journey into the corporate world. I promise to be always connected and be ever grateful to my alma mater.

123817402017  
B.Com Computers  
Placed in: Sutherland global services  
Student Placement Coordinator  
2019-20

My journey was a whole new level of happiness and an opportunity to learn about the various companies that came to our campus. The placement cell really made sure that we were up to date and know what was happening at the placement time. The teachers really help us a lot in guiding us with our placement. As a part of the placement cell, as the placement coordinator, it was a challenge that really made me aware about me as a person. There were some tough decisions that had to be enforced but it was a fun experience. Being on our toes and making an environment full of motivation and innovativeness, also built our confidence levels. The pre-placement work shop really gave us an edge over other colleges and we could actually crack the placement drive and get a job. At the end all I have to say is that I had a great experience and it's really improved overall skill set and knowledge that I possess till now. It did give us a heads up to know the corporate world and to our future

Villa Marie Degree College for Women not only helped us academically but also prepared us to tackle the world. With their esteemed wisdom, we were taught discipline, were provided various opportunities to enhance our skills. Our lecturers made impeccable efforts to educate us and make us better human beings.

Our mentors from placement cell guided and trained us for placement with utmost technicality and practicality. Various activities were conducted where we played roles in Group Discussions and Personal Interviews and so on, which helped us to build confidence.

Nitya Gupta  
123817386033  
Placed in: Deloitte

I want to show my gratitude to my beloved Principal madam, college and placement cell who have got many more such big companies in the campus for recruitment. I would like to personally thank Revati madam for guiding us and giving us important tips to crack the placement rounds successfully. I would also like to thank my teachers and coordinators who had stayed late that evening till all the rounds were done. Last but not the least no amount of words can express my gratitude towards Villa Marie Degree College for women. Thank you so much !

Raveena Baid

Placed in: Deloitte

Villa Marie Degree College has been nothing less than what I've hoped for. The congenial environment here has given me numerous opportunities that have helped me excel in life. One of the greatest gifts given by Villa Marie degree college to me was Deloitte. I'm grateful to all the faculty members, staff and the placement cell for their continuous support and every minute motivation to make me a better person. Special thanks to our teachers for all the love and never ending support !! I will always be thankful to villa marie degree college for women for making my journey such a memorable one.

Kritika Sharma

B.Com (Computers)  
Placed in : Telebu

My three-year journey at Villa Marie Degree College was very resourceful. It would have been impossible without the support of my faculty who encouraged me to grab the opportunity. The placement drive was remarkable and the procedure was very disciplined and organized. Thanks to the faculty of Villa Marie Degree College to make sure that every student attends the pre placement talk organised by the companies, this way even the students who were not interested in giving the interview had the time to give their decisions a second thought, including myself.

The count of number of students being placed in each company is unbelievable. This would not have been possible without the guidance given by the faculty from the initial stage. I am thankful and grateful to the college for guiding us both theoretically and practically.

Shruti Singh  
B.com General  
1238-17-401-073  
Placed in: Telebu

I am Shruti Singh of B.com (General) final year and I'm pleased to say that I've been placed in about 5 companies in the college placements. The placements were held by the business giants like Deloitte, Amazon, Genpact, Concentrix, Tech Mahindra and Telebu. This is not just my patience and skill, it's all the hard work that the college has put into for their students, so that they get the best opportunities and get placed. The college, as we say, the Power House of Knowledge, has not only provided me an opportunity to get placed but also helped me through it by a pre placement talk in which we were polished with the skills needed to face the MNCs and later undoubtedly the results speak it all. The efforts of the college and especially the placement cell have helped to place about 80% of my batch mates and I'm obliged to the college for being one among them.

Sudha Rai  
BSc ( MSCs)  
123817467041  
Placed in: Genpact

I am very pleased and very thankful to all my respected faculty who supported us in achieving and believing in our capabilities. The management played a vital role in letting us step into the very first stage of our career. The placement cell of Villa Marie led us battling with our own weaknesses and helped us overcome our fears. Their motivation powered us a lot, to work hard for the future betterment. And now we have learnt so much that we can face all hardships as a challenge and take our lives with positivity. Whether it is related to academics, company placements or skill development, Villa Marie has it all in its mission for grooming its students as confident women professionals.

Villa Marie stands on top of the list when it comes to grooming the students and making them ready for the future. Right from the 1st semester we were trained to face interviews by industry experts through certificate programs as a value addition. These Certificate Courses included Mock Group Discussions and Personal interviews that gave us an insight of how our actual interview would take place. Finally, when it was time for our actual placements, the best of companies in Hyderabad came for campus recruitment. The placement team of the college kept us updated with all the companies that were visiting and a clear job description was given. A Pre- Placement talk was given by all the visiting companies and was addressed to all the students. I would like to thank the Placement Cell for guiding me and encouraging me at each step. I would like to thank my college for all the opportunities they provided and for making me Industry ready.

After joining in Villa Marie Junior College, I have become more confident, energetic and intelligent. Though I got into many other universities and colleges, I guess I was destined to be in Villa Marie Degree College. These three years helped me to boost my confidence and increase my knowledge immensely. I'm extremely grateful to all the people who have supported me through this hectic and exhausting but a beautiful journey. At the end of the final year, I was adamant to go abroad for my higher studies. But, when our placement cell has given me an opportunity to understand, excel and attend the interviews, I was excited and nervous. But in the end, I'm grateful that I have ended up with an amazing Job offer at one of my dream companies. I can't wait to work with Deloitte!

First, I would like to thank college management for giving me a platform to reach-out to a multi-national professional services network, Deloitte. I got placed at Deloitte during the placement drive conducted at the college. The placement drive experience was incredibly smooth because the teacher representatives and student coordinators have instructed and guided us at every stage of the process. The support received from the college management, teachers, representatives and student coordinators has helped me to bravely step forward and put myself out there with confidence. The hiring process was not nerve-wrecking at all as the representatives from Deloitte were absolutely friendly and gave us instructions that would just make the process easier. I'd like to say that the overall experience was amazing and I would like to thank the college administration to give such a wonderful opportunity.

Initially when I joined College, I was very sceptical and lacked the confidence to speak to anyone, but as days passed I improved. This place helped me to regain my confidence and be diplomatic. The faculty stood by us and guided us through. All these gave me the courage to face anything with a smile. The Placement Cell gave me an opportunity to understand and explore various Job Roles, acquainted us with the Corporate World. With that knowledge I could ace the Placement Drive landed up with a good offer in one of the Big Four Companies i.e. Deloitte!

Kushanshi Agarwal  
123817684049
